

## Features

### Retail Grinder

- Hopper holds 3 lbs. of fresh coffee beans.
- Turbo action draws coffee through grind chamber for greater grinding efficiency.
- Fast grinding—one pound in under 30 seconds.
- Wide range of grinds can be selected.
- Convenient cleaning lever insures complete clean out of coffee from grind chamber.
- Bag switch stops motor when bag is removed and prevents grinding before bag is in place.
- Heavy-duty precision burrs for quality, finer grinds.
- Three year warranty on grinding burrs.
- International electrical configurations available.

Model G3\*

### Precision Burrs

All BUNN grinders use commercial style, precision cutting burrs to cut (not crush) coffee beans and to deliver correct grind distribution.

BUNN® practices continuous product research and improvement. We reserve the right to change specifications and product design without notice. Such revisions do not entitle the buyer to corresponding changes, improvements, additions or replacements for previously purchased equipment.
